

CONTACT: Nancy Johnson 309.738.7480 email this form to Spay2ndHRR@gmail.com

We are excited to provide a great service to our community. We apply for grants and accept donations to help animals in our community. This is NOT a drop off clinic. We will make ZERO profit. We thank Miller Veterinary for being part of this great step in our path of helping animals AND people.

Please follow these instructions:

- Fill out application below. You can print & scan to email or send photo SEND TO: Spay2ndHRR@Gmail.com
- Pay us when you send application - this is a must: Cash at the rescue, check can be mailed to 2nd Hand Ranch 25375 1150th North Ave, Princeton IL 61356. PayPal Spay2ndHRR@Gmail.com or use your credit card below - a small fee will be added
- RABIES vaccines are REQUIRED by Illinois Dept of Agriculture – its LAW you must have rabies certificate (NOT TAG or BILL FROM A VET) or you can have Miller vet vaccinate at a reduced rate. You then must register at your local animal control. The vaccine will not include the county registration where you reside. This is your obligation.
- Other vaccines are not required by law but are advised as Distemper and Parvo are deadly in our area, you can add these services at the time of appointment. Heart-worm tests are suggested as well, but not required by law.
- When payment (non-refundable) is received, we will forward your paperwork to Sarah at Miller Veterinary Services. We send the applications to Miller Veterinary Services every Sunday night. MVS will contact you direct to schedule an appointment.
- This is not a bulk snip trip; you are responsible for transport. If you do not appear for your appointment your payment will not be refunded, if 24 hours notice is given you can easily reschedule - life happens sometimes
- **FEMALE ANIMALS IN HEAT – THERE WILL BE A \$35 SURCHARGE IF ANIMAL IS IN HEAT, YOU CAN RESCHEULE TO AVOID FEE IT IS DANGEROUS AND NOT RECCOMENDED TO SPAY AN ANIMAL IN HEAT**
